

## CALM DRESSAGE HORSE PRESENTS...

# “*ENHANCE YOUR PERFORMANCE*” – A RIDING CLINIC WITH A DIFFERENCE.

8am – 6pm Saturday 28<sup>th</sup> June 2008 – Northern Equestrian Centre, 11 Argent Road, Penfield, SA

Do you...

- want a CALM DRESSAGE HORSE?
- want to learn dressage or want your dressage tests to flow more smoothly?
- have behavioural or training problems with your horse and need help?
- find yourself drudging along in the arena with no real focus or goal, things just aren't going quite right and you don't know why?
- Want to improve your partnership with your horse and work together in harmony?

If the answer is **YES**, then I can help you.

My name is Stacey Lee. My techniques involve a somewhat different approach to that of mainstream training. Some ideas may seem quite different and entertaining whilst others are more traditional or classical. The idea is to get results and to have fun while you're doing that. And more importantly – to make the improvement “stick”.

The approach I use to provide riding instruction is based on the techniques of Mary Wanless – ‘Ride with Your Mind’ and ‘Centred Riding’ and also promotes a ‘don't force the horse’ policy. Your lesson will stick with you and be memorable but more importantly you **WILL** see and feel an improvement in just one lesson.
